Part III STATEMENT OF REASONS FOR ALLOWANCE

1. This application has been examined. Claims 1-32 are being allowed over the prior art of record. All claims being allowable, prosecution on the merits is closed in this application.

2. The following is an examiner's statement of reasons for allowance: The prior art of record teaches many ways of processing multi-value data, but the prior art of record fails to teach, or suggest the claimed limitations of (in combination with all other features in the claims) a method or apparatus for multi-valuation processing of image data wherein an original image is quantized into n-levels by ranking, using level division and calculating and re-allocating by levels as described in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
